The Prof. Dr. Mohammed Seraj ANSARI as Chairman, we bring the Muslim community together with enthusiastic supporters from different religious and ethnic backgrounds in order to promote Muslims (Youth & Women) as well as belonging to the downtrodden and other backward classes, ideological, emotional, philosophical, educational and economic awareness in the interest of the global community, and protect and defend the Identity and Dignity of the Muslim community and its Constitutional and Human Rights, specially its Right to Equality, Justice and Security and we propagates people to keep away from Violence, Terrorism and Extremism.

As Chairman we have a number of goals that we wish to achieve during our office as Chairman of the Organization of Indian Muslim & Islamic World For Peace –OIM-IWP. First and perhaps foremost, we want to increase the understanding between the India and Global public and the Islamic World. We want to show the real face of Islam, the one of caring, compassion, and the doing of good works.

We would also like to create a dialogue between the Indian Muslim of the Islamic World and the Muslims of the Western World. We hope to address the issues common to the Muslims of both Worlds in an effort to promote understanding between both Worlds.

We would also like to oversee the creation of a high level global Governing Body, Governing Body Board Members, Advisory Board Members and National Directors for the Organization of Indian Muslim & Islamic World For Peace. Such a Governing Body/Board could provide insight and guidance for the organization worldwide.

Finally, we hope to increase awareness of the Organization of Indian Muslim & Islamic World For Peace and the good work it performs. We hope to strengthen the group as well as increase its influence in both the Indian Muslim and the Islamic World and International communities in order to build bridges between these communities. This year will mark a new path for the Organization of Indian Muslim & Islamic World For Peace as it continues to serve Muslims in India and around the Muslim World.
